The residents of Noida, Greater Noida and Ghaziabad NH-24 could soon enjoy high speed trains under Rapid Rail Transit System (RRTS) in Phase-2. Under the plans being developed by NCR Planning Board, Ghaziabad would be soon connected to Khurja and Hapur. The train to Khurja would pass through Noida Sec 62, Noida Ext, Lal Kuan, Dadri, Sikandarabad, Bulandsahar and Khurja. While the train from Ghaziabad to Hapur would pass thru Hi Tech Cities and Dasna to Hapur along NH-24. The new elevated track would be laid out along the existing alignment of Indian Railways. These trains would have stations at every 5-10 km and trains would run at 100 km per hour.
